Legend:

Critical Access Hospitals (CAH): a rural community hospital that is certified to receive cost-based reimbursement from Medicare.

Diagnosis-Related Group (DRG): is a system to classify hospital cases into one of approximately 500 groups, also referred to as DRGs, expected to have similar hospital resource use, developed for Medicare as part of the prospective payment system. These hospitals participate in the Oregon Hospital Tax program to fund the Oregon Health Plan (OHP).

▲ **Type A** hospitals are small and remote and have 50 or fewer beds. Type A hospitals are located more than 30 miles from another acute care, inpatient facility.

● **Type B** hospitals are small and rural and have 50 or fewer beds. Type B hospitals are located 30 miles or less from another acute care facility.
